President's Corner

Dear RACAP Family

July 4th America celebrates its Independence by having BBQs with friends and family members, attending parades, and watching fireworks. Even though we are aware of the higher gas and higher food prices at the grocery stores, we, as a nation, have so much to be thankful for. When shopping at your grocery store or online, remember our clients and add an extra jar of peanut butter, jelly, canned meat, pasta, and soup to your list. Please continue to keep RACAP in your prayers and together we can make a difference in a person's life.

Blessings,

Kathy Staley

Director's Corner

June was quite a month for us. The temperatures got into triple digits and was quite blistering. A huge thank you to all of our dedicated volunteers that carried on despite sweating buckets! You all are truly selfless and amazing!

Temperatures weren't the only thing rising. Gas prices are soaring and cost of grocery items are increasing. Despite all of this inflation, our amazing community continues to show up at our door with donations. What a wonderful blessing!

It seems these donations are needed more than ever right now. June was a very busy month for us. We saw more clients this month than we have done in a very long time! The cars have been lined up outside and our inbox have been full of applications.

It's been amazing to be able to help so many in need. You can see the weight lifting off their shoulders as we fill their cars with much needed groceries or as we assist them financially and lift a financial burden off of their shoulders. It really is the best feeling knowing we all helped make a difference. We couldn't do it without our amazing community or our amazing volunteers! Thank you!!!
