Volume 29, Issue 3 March 2026

On February 17th, our RACAP Board President, Candace Cornett, had surgery on her right foot. She will be home, resting with her foot elevated for the upcoming weeks. Like all of us, it can be very challenging to have to sit still for a period of time. Please join me in praying for Candace during this challenging time. Please pray for smooth and fast healing and patience. You got this Candace!

God blesses those who patiently endure testing and temptation. Afterward they will receive the crown of life that God has promised to those who love him.

****VOLUNTEER ANNIVERSARY****

We are so blessed to have an amazing crew of volunteers. I would like to start recognizing our volunteers on their start date anniversary. Thank you ladies for your hard work and dedication.

**Lorraine Muller has been a volunteer for 13 years!!!!
Mary Pevoto has been a volunteer for 17 years!!**

The month of February was quite a humbling experience. We saw many individuals, organizations, churches, and businesses come together to bless RACAP.

We started the month, with churches blessing us with donations from their “Souper Bowl” drives. These donations were incredible and helped fill the empty gaps in our shelves. On February 10th, we had a couple of selfless volunteers from First United Bank in Schertz dedicate their time helping us at the building for their “Acts of kindness.” They were hard working and tackled any task that were asked of them. They also surprised our clients with HEB gift cards. There is something so amazing to see when individuals give and help others. It was truly an uplifting day for all at RACAP; volunteers and clients.

Throughout the month of February, the Rolling Oaks Mall in Selma hosted a food drive for RACAP called, “Heart of the Mall.” They had a massive display with a balloon arch. They had donation bins as well as a QR code for monetary donations. Myself and Barbara Williams were able to attend their Heritage Fest Asian New Year where we were able to share with shoppers what services RACAP offers and our 2025 statistics. It was an amazing opportunity to reach new clients as well as make connections for future donations. With online shopping and strip malls, an actual shopping mall has been slowly forgotten over the years. The Rolling Oaks Mall not only has a variety of retail shops but they host different events every weekend. It has a calming and peaceful feel to walk around with wonderful much needed AC here in Texas. Be sure to check out their website to see what upcoming events they have. www.rollingoaksmall.com

On February 25th, Kathy Stone and Jackie Simons attended the Universal City Free Business Network Meetup. This was an amazing opportunity to meet business owners and let them know how they can join in and help the local community by supporting RACAP.

Spring break will soon be here and with the help of so many, RACAP, will be able to help many families feed their kids whilst home from school. We all know kids at home during those breaks can resemble a game of Pac man! As always, I am full of gratitude that the lord has surrounded me by so many selfless and generous workers at RACAP. We share a passion of helping others, giving hope to our clients and planting that mustard seed of God’s Love. I am very fortunate to work where I do.
